Mr. Carl Johnson  
Assistant Principal

August 1, 2018

Dear Plainville High School Students and Parents/Guardians,

I hope this note finds you all enjoying your summer. We have been busily preparing for the 2018-2019 school year. I wanted to share information with families regarding back to school supplies that may be needed for students.

Please review the following pages for supply lists by academic department. This list is meant to share the general supply needs for the upcoming school year. Students should consult with their teachers if there are specific items needed for AP/ECE/Honors level courses, or for speciality areas. As a reminder students should have their chromebook with them daily, devices should be charged, yet students should bring their charging cord as well.

Please feel free to contact us with any questions.

Sincerely,

Roberto Medic  
Principal  
Plainville High School

Plainville High School  
Supply Lists  
2018-2019

**Fine Arts (Music and Art)**

- Materials provided to students in class by instructors. No specific supplies are needed.
